HOW TO PLAY AURA SPORTS CLUB

Choose a tournament, make picks or use live odds, and compete under the published game rules.

Start with Club Cash

Odds modes start with an equal virtual stack. Pick modes start on a common slate.

Make picks. Use odds.

Choose picks or spreads, totals and moneylines, depending on the game mode.

Move live

Points add up. Club Cash rises or falls. Rankings update as results settle.

Finish highest

Finish on top under your mode's rules. Approved sponsor contests award published prizes.

CLUB CASH IS VIRTUAL. NO CASH-OUT. Sponsor prizes are funded separately. Entry is free.

ASC GAME MODES

Tournaments is the umbrella. Each mode has its own scoring and rules.

Pick'em

Classic, Spread or Confidence. One common slate.

Aura Picks

Higher/lower player projections. Build a pick card.

Survivor Picks

Pick to stay alive. Lives and reuse rules shape play.

Odds Battle

Use live game odds. Build your Club Cash balance.

One Shot

A fixed plan of singles. No reinvesting returns.

Longshot

Qualifying underdog wins earn a published bonus.

Streaks

Build a winning run through multiplier tiers.

Brackets

Head-to-head player rounds. Advance through the draw.

Squads Odds Battle

Fixed teams. Combine qualified personal results.

Squads Pick'em Battle

Equal teams. Combine personal pick-sheet points.
